TASKBOARD

Product Backlog	In Progress	Completed
User Story 1 Sprint 1 - Gather project information - Present project to the lecturer	Refining the business concept based on feedback from Prima; preparing to begin user research and problem validation for the next sprint.	Gather project information Present project to the lecturer.
User Story 2 Sprint 2 - Conduct user research and validate the problem statement - Refine the business concept based on feedback from Prima		

WALKTHROUGH

1. What do we need to do to advance this piece of work?	Prepare and deliver our presentation, incorporate the feedback received from Prima, and begin planning user research for the next sprint.
2. Is anyone working on anything that is not on the board?	No, all team members are working on tasks reflected on the board.
3. What do we need to finish as a team?	Finalise the presentation, present it to Prima, and update the project plan based on the feedback received.
4. Are there any bottlenecks or blockers to the flow of work?	None at this stage - the team has clear direction from Prima's feedback and is ready to move into user research and problem validation next sprint.

LOGBOOK

Date:		
Monday	1. What did I complete since the last standup?	N/A - the project had not yet started.
	2. What am I planning to complete between now and the next standup?	N/A - the project had not yet started.
	3. What are my impediments (or risks or problems)?	N/A - the project had not yet started.

Date:	14 July 2026

Tuesday	1. What did I complete since the last standup?	Held a team meeting to plan the upcoming presentation; collaboratively created the presentation slides for NavigSA, organised into sections (problem statement, proposed solution, target market, and value proposition); reviewed the content to ensure it aligned with project objectives.
	2. What am I planning to complete between now and the next standup?	Rehearse the presentation as a team and finalise the slides ahead of presenting to Prima.
	3. What are my impediments (or risks or problems)?	None - the team had a clear plan for the presentation and all the information needed to build the slides.

Date:	15 July 2026	
Wednesday	1. What did I complete since the last standup?	Conducted a rehearsal of the presentation, reviewed each team member's speaking section, made final edits to the slides to improve clarity and consistency, and practised answering possible questions.
	2. What am I planning to complete between now and the next standup?	Present the NavigSA business idea to Prima.
	3. What are my impediments (or risks or problems)?	None - the rehearsal ran smoothly and the team was well prepared ahead of presenting to Prima.

Date:	16 July 2026	
Thursday	1. What did I complete since the last standup?	Presented the NavigSA business idea to Prima, explaining how it simplifies the SAQA evaluation, university application, study visa, and accommodation process for international students; received feedback and met as a team afterwards to discuss it.
	2. What am I planning to complete between now and the next standup?	Refine the business idea using the feedback received and continue researching user needs before moving into solution design.
	3. What are my impediments (or risks or problems)?	None - the presentation went ahead as planned and the feedback session was constructive.

Date:	17 July 2026	
Friday	1. What did I complete since the last standup?	Held a sprint review meeting, reviewed the feedback received from Prima, updated the project plan, and recorded outstanding tasks with assigned responsibilities.
	2. What am I planning to complete between now and the next standup?	Begin user research and problem validation in the next sprint, and continue refining the business concept.

	3. What are my impediments (or risks or problems)?	None - the feedback from Prima was clear, which made it straightforward to update the project plan and assign tasks for the next sprint.
